Enter Email and Mobile Number

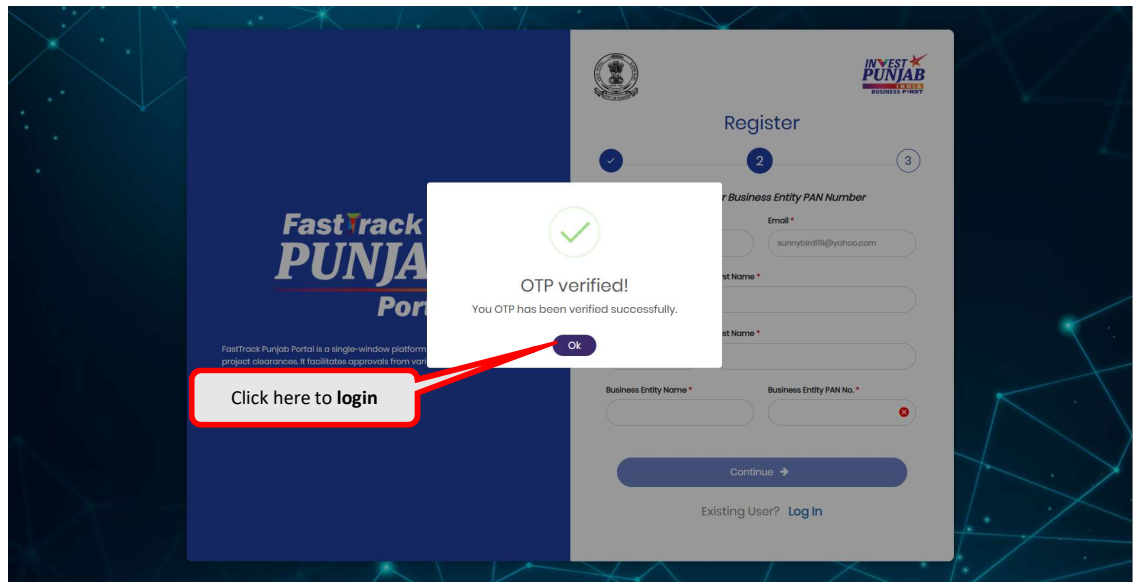

3. After entering the email address and mobile number and clicking on "**Generate OTP**", the OTP is sent successfully, as shown below.

4. The user enters the OTP and clicks on the "**Verify OTP**" button, as shown below.

5. After clicking on the "**Verify OTP**" button, an OTP verified message is displayed, as shown below.

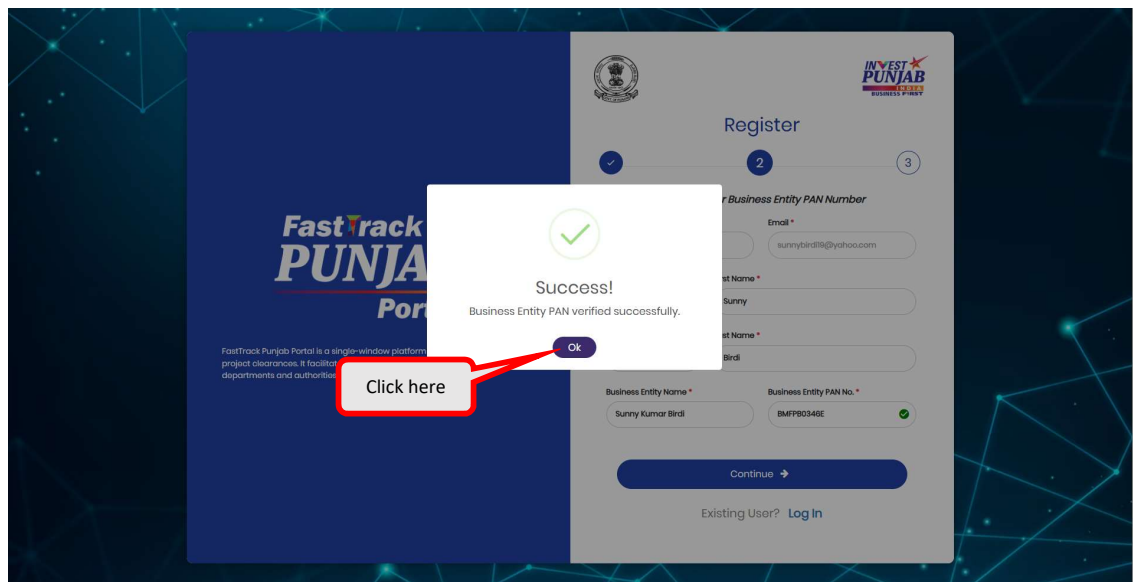

6. Once the OTP is verified, the registration page opens, as shown below, where the user needs to fill in the required details.

The screenshot shows the 'Register' page at step 2, 'Validate your Business Entity PAN Number'. The page includes a progress bar with three steps. The form fields are as follows:

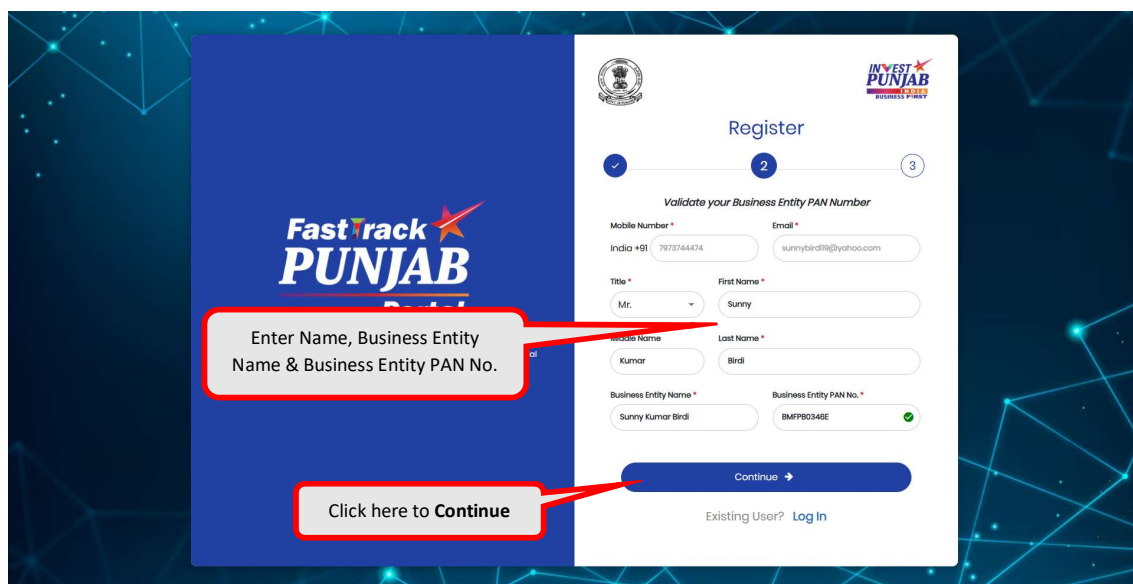

- Mobile Number ***: India +91 | 7973744474
- Email ***: sunnybird18@yahoo.com
- Title ***: Mr.
- First Name ***: Sunny
- Middle Name**: Kumar
- Last Name ***: Birdi
- Business Entity Name ***: Sunny Kumar Birdi
- Business Entity PAN No. ***: BMFPB0348E (with a green checkmark)

At the bottom, there is a 'Continue' button and a link for 'Existing User? Log In'.

7. Once the PAN details are found correct, the system will display a prompt indicating that the **“PAN details have been verified successfully”**, as shown below.

8. Once PAN is verified, the registration page opens, as shown below, where the user fills in the required details and click to continue button.

9. After click on continue, the user enters the username, password, confirm password and select the project type, then clicks on the **"Register"** button.
