The National Single Window System has access to over 100 Central level approvals and State Single Window Systems of 14 States/UTs with one user id and password.

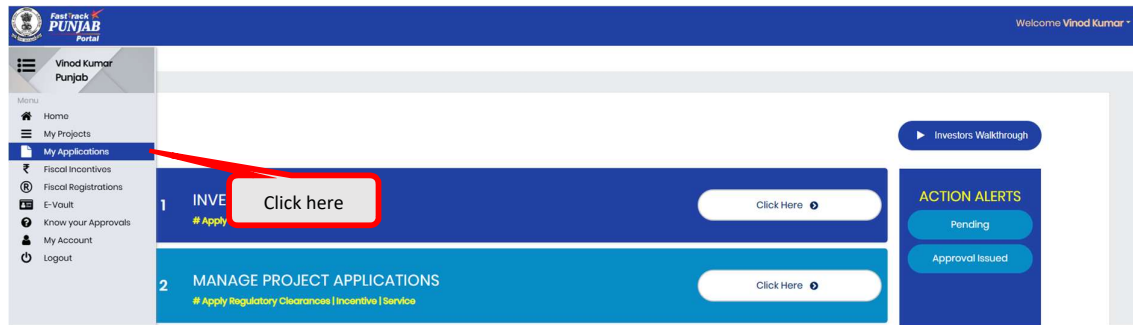

2. Investor will click on continue button as shown in below screen:

FastTrack Punjab

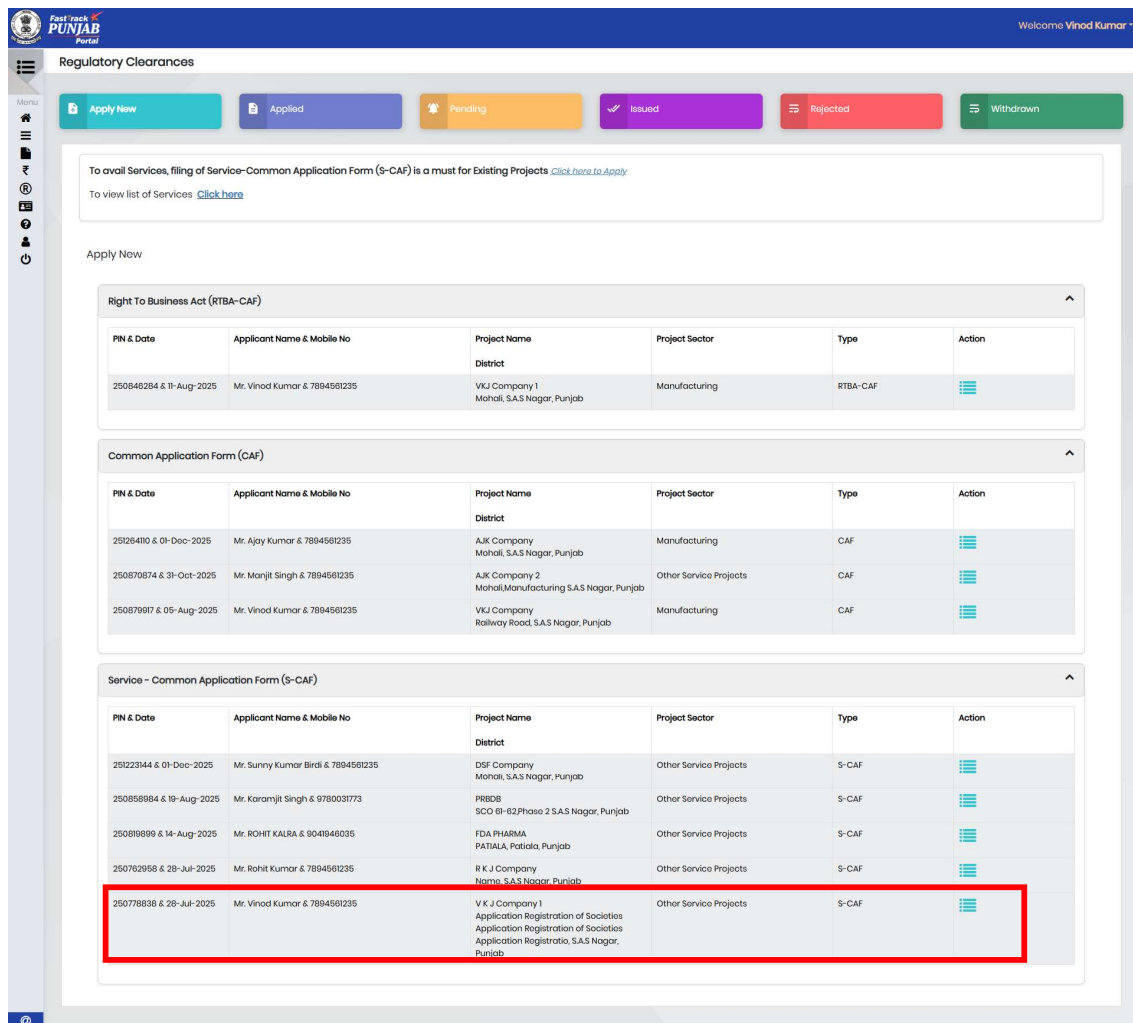

Welcome to Punjab, India - the land of opportunities, vibrant culture, and a thriving business ecosystem. Punjab State offers robust infrastructure, excellent connectivity, and peaceful labour relations, making it an ideal destination for investment. We are delighted to guide you through a seamless journey of setting up and operating your business. Explore the project-related approvals and clearances with ease.

Continue

3. After clicking on **Continue** button investor will click on **My Applications** as shown below:

4. To obtain Service Clearance, the investor needs to select either the Common Application Form (CAF) or the Service Common Application Form (S-CAF), as shown below.

5. Following screen will appear, click on **Apply for New Clearance** button:

The screenshot shows the 'Regulatory Clearances' page on the Punjab Fast Track Portal. The page displays user information (VINOD KUMAR), project details (V K J Company 1), and a list of buttons for various services. A red box highlights the 'Apply for New Clearance' button, with a callout indicating to click on it.

Application ID	Clearance ID	Issued On	Expired On	Processed In	Action	Feedback
258435779	213221	20-Nov-2025	N/A	0 days		★★★★☆

6. Search the Application Form by giving Department Name or Application Name on the screen as shown below:

The screenshot shows the 'Regulatory Clearances' page with a search bar. A red box highlights the search bar, and a callout indicates to click on the 'New' button after selecting a department or application name.

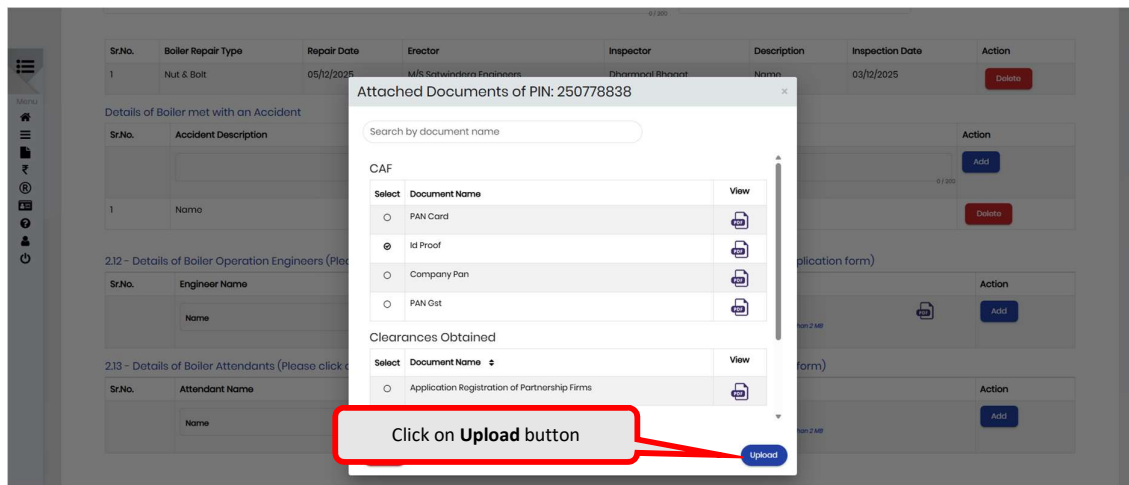

SNo.	Regulatory Clearance(s)
1.	Renewal of Boiler Erector and Repairer (service)
2.	Boiler Registration Renewal (service)
3.	Boiler Manufacturing Approval (service)

7. While filling the form at the time of attachment, system will provide an option to add document **from Device or from E-Vault**, screen as shown below:

The screenshot shows the 'Applicant Details' page. A red box highlights the 'From E-Vault' option in a dialog box, with a callout indicating to select this option.

Field	Value
11 - Title *	
12 - First Name *	Vinod
13 - Middle Name	
14 - Last Name	Kumar
15 - Aadhaar Number *	123456789123
16 - PAN (Permanent Account Number) *	ASDFG4567G
17 - Name of the Unit *	V K J Company 1
18 - Applicant Aadhaar Card *	
19 - Applicant PAN Card *	
110 - Applicant Photograph *	
111 - Phone number	
114 - Correspondence Address	

8. After choosing the **E-Vault** option, all documents linked to the selected CAF/S-CAF will be displayed in the dialog box. From here, select the desired document from the list, as shown below.

9. The investor can also view and download the uploaded document against the CAF/S-CAF from this screen, as shown below:

10. Here, the investor can view and download the uploaded documents against the CAF/S-CAF, as shown below.
